5. Drain water beds
6. Water sprinkler system -> call us

Our treatments can last 7 - 10 hours. We recommend our 24 hour treatment if either:

- Prolonged over-the-counter chemical use
- Bed bugs have been in the home for more than 1 year

Vehicle treatments are available for an additional fee.

If renting, the landlord or property manager must be informed prior to treatment.

For a heat treatment to be successful, your home and belongings must reach 122F. This preparation list will help our treatment be successful. We will request interior photos of the home prior to the scheduled treatment date. Call or text with preparation questions.

Failure to complete this preparation list will void the 90 day warranty.

We will not be liable for any damage to persons, the premises, or personal property as a result of failing to prepare the premises in accordance with these requirements.
